## The new cult wines: 10 wineries to watch

Jon Bonné, Chronicle Wine Editor

Friday, May 30, 2008

These 10 wineries all have dedicated followings and the right combination of factors to catapult to cult status. Keep an eye out for them in the coming year.

### **Seven Stones Winery**

Brand-new Cabernet made by Aaron Pott, whose work includes Quintessa and Blackbird, from a parcel above the Meadowood resort owned by Ronald and Anita Wornick.
